

Dear Prospective High School Student,

We are so pleased that you are interested in enrolling in ISW's High School, and we are looking forward to getting to know you better! If you are looking for a high school that will prepare you for college *and* allow you the latitude to develop your creative skills and pursue your academic interests, we may be a match! ISW serves ambitious students who are interested in preparing themselves for college and for leadership roles in the global economy.

Our admissions committee looks for capable, enthusiastic students who are academically, socially, and emotionally prepared to handle the challenges of our unique learning environment. Successful applicants will exemplify our Core Values: respect, responsibility, integrity, compassion, and commitment to education.

Our admissions process is very straightforward. We ask for the following:

- HS Application form
- Three teacher recommendation forms
- An official transcript from all previous schools attended
- Copies of **all** educational and/or standardized test results, including private testing
- Parent visit
- Student interview
- \$50 application fee

Please don't hesitate to call me at 540-773-3814 if you have questions or concerns as the process unfolds. We are very excited about working with you!

Sincerely,

Claire McDonald, Ph.D.

Head of School

Handcrafted education in a mass-produced world.
